SATURDAY	# 13	2:00 p.m.	Lady Sox	Les Bandits	The team that plays FOUR (4) round robin games will get their Game 3 "result" by taking the actual scores of games 3 and 4 and add them together, then divide by TWO (2). If the result is a positive then then get a win and 2 points. If it's a negative they get a loss and 0 points. If it's a even then they get 1 point. Your game totals are the totals of games 3 and 4 divided by 2
