GENERAL PLAYING RULES

RULE 1 – DEFINITIONS SECTION 1-42

RULE 1 Sec 1

ALTERED BAT: A bat is considered altered when the physical structure of a legal bat has been changed. Examples of altering a bat are replacing the handle of the metal bat with a wooden or other type handle, or inserting material inside the bat. A flare, cone grip or a painted bat is considered an altered bat.

EXAMPLE: If the umpire can't hold the bat by the knob with two fingers in the shape of a "V" then it is a flare cone and an altered bat.

EFFECT: The ball is dead, the batter is out and baserunners may not advance. The batter is ejected for using an altered bat.

RULE 1 Sec 2

APPEAL PLAY: A play in which an umpire cannot make a decision until requested to by a manager, coach, or player. The appeal must be made before the next legal or illegal pitch, or before all defensive players have left the field (crossed the foul lines). The appealed play does not change the type of out that is being appealed.

RULE 1 Sec 3

BALL ROTATION: A pitcher will have a choice of balls at the start of each halfinning, with the exception, that if both balls do not get into play in the first halfinning, the pitcher in the bottom of the first inning, must pitch the unused ball. Thereafter, every third out, the ball in play must be returned to the pitcher's box. The pitcher, now taking the field, has a ball to start the next halfinning. Before throwing a warm-up pitch, the pitcher may request the other ball, giving the ball in his/her possession to the plate umpire. A choice has now been made, and the pitcher must pitch this ball until it goes out of play or becomes blocked.

RULE 1 Sec 4

BASE PATH: The base path is an imaginary line, three (3) feet on either side of a direct line between the bases.

RULE 1 Sec 5

BASERUNNER: A player on the team at bat, who has finished his/her batting turn, reached any base, and has not yet been put out.

RULE 1 Sec 6

BATTER'S BOX: The area in which the batter is restricted to, while in position to bat. The batter must have both feet entirely within the lines of the box prior to the pitch (the lines are considered to be within the box).

RULE 1 Sec 7

BATTER-BASERUNNER: A player who has finished his turn at bat, but has not yet been put out, or touched first base.

RULE 1 Sec 8

BATTING ORDER: The batting order is the official lineup of offensive players, listing the order in which team member must come to bat. A lineup card must include each player's name and number. Each team's starting pitcher must be indicated.

RULE 1 Sec 9

BLOCKEDBALL: A live ball that is touched, stopped, or handled by a person not engaged in the game; or which touches any object that is not part of the official equipment or playing area.

EFFECT: The ball is dead. See Rule 8, Sec. 5(e) for enforcement.

NOTE: A blocked ball is not called when a live ball strikes a base coach unintentionally.

NOTE: For offensive equipment causing a blocked ball, the runner closest to home plate will be declared out and all other runners must return to the last base touched when the ball becomes blocked.

RULE 1 Sec 10

CATCH: A catch is a legally caught ball that occurs when a fielder secures a batted or thrown ball with his/her hand or glove. If the ball is merely held in the fielder's arms or prevented from dropping to the ground by some part of the fielder's body or clothing, the catch is not complete until the ball is in the grasp of the fielder's hand or glove. It is not a catch if a fielder, immediately after he/she contacts the ball, collides with another player or wall (fence), or falls to the ground and drops the ball as a result of the collision or falling to the ground. In establishing a valid catch, the fielder shall have complete control of the ball, and his/her release of the ball is voluntary and intentional. If a player drops the ball while in the act of throwing, it is a valid catch.

NOTE: *An intentionally dropped ball is a ball that has first been caught, by the definition of a catch, and is then intentionally dropped in an attempt to confuse or obtain additional outs.*

EFFECT: *The ball is dead, the batter-baserunner is called out, and all other runners are protected under the obstruction rule.*

Play 1—A batted fly ball, before touching the ground, strikes F5 on the head, and while still in the air, is caught by F6.

RULING: *A legally caught fly ball by F6. Batter is out.*

Play 2—The batter hits a sharp line drive, which after passing F4, strikes the umpire over fair ground. The ball ricochets and is caught by F4 while still in flight.

RULING: *No catch. Ball is alive and batter would have to be thrown out or tagged out. A ball which strikes anything other than a defensive player, while in flight, is ruled the same as having struck the ground.*

RULE 1 Sec 11

CATCHER'S BOX: The catcher's box is that area which the catcher must stay in, until the pitched ball is batted or reaches the catcher's box (the lines of the box are considered within the box). All of the catcher's body and equipment must be within the catcher's box until the ball is batted or reaches the catcher's box. An illegal pitch is called if the batter does not swing.

RULE 1 Sec 12

CHARGED CONFERENCE: A charged conference takes place when:

- a. **Defensive conference** – when any member of the defensive team requests a suspension of play or delays resumption of play for an extended length of time in order to have a meeting on the field. The conference is charged against the pitcher in the game at the time play was suspended. It is not a charged conference if the defensive team confers while the offensive team is in conference.
- b. **Offensive conference** – when any member of the offensive team requests a suspension of play or delays resumption of play for an extended length of time in order to confer with a batter or baserunner. The conference is charged against the current batter at the time play was suspended. It is not a charged conference if the offensive team confers while the defensive team is in conference.

RULE 1 Sec 13

CHOPPED BALL OR BUNTED BALL:

- a. **Chopped Ball** When the batter strikes downward with a chopping motion so that the ball bounces high into the air this is considered a chopped ball. The chopping motion should resemble that of chopping a piece of wood lying on the ground.
- b. **Bunted Ball** A bunt is a fair ball in which the batter does not take a full swing to hit the ball, but holds the bat in such a manner, in the path of the ball, to tap the ball slowly into the infield.

RULE 1 Sec 14

COACH: A member of the team at bat who takes his place in the coach's box to direct his/her players in running the bases. Two coaches are allowed, one positioned at first base and one positioned at third base. One coach may have in his/her possession a scorebook and/or an indicator, which shall be used for scorekeeping purposes only. The defensive coaches/manager must remain in the dugout, unless he/she is a player, when their team is playing defense. Failure to obey this rule, after a warning is issued, will result in the coach/ manager being ejected.

RULE 1 Sec 15

DEADBALL: The ball is not in play and not considered in play again, until the pitcher has the ball in his possession and the umpire has called "play ball".

- a. *DELAYED DEAD BALL*: An infraction, signaled by the umpire, in which the ball remains alive until all play has been completed and the umpire calls time.

RULE 1 Sec 16

FAIR BALL: A fair ball is a batted ball that:

- a. Settles on fair territory between home plate and first base or home plate and third base.
- b. Is on or over fair territory, including any part of first and third bases, when bounding toward the outfield, or touches first, second, or third base.
- c. First falls in fair territory beyond first or third base.
- d. While in or over fair territory, touches the person of any umpire or player.
- e. While over fair territory, passes out of the playing field beyond the outfield fence.

NOTE: A fair fly shall be judged according to the relative position of the ball and foul line and not as to the position of the fielder at the time he/she touches the ball. It does not matter whether the ball first touches fair or foul territory, as long as it does not touch anything foreign to the natural ground in foul territory and complies with other aspects of a fair ball. Home plate is in fair territory.

Play 1—Batted ball first hits foul ground, and before being touched, rolls into fair territory between home and first base where it settles.

RULING: Fair ball.

RULE 1 Sec 17

FLAGRANT PLAYER OBSTRUCTION: A defensive fielder shall not at any time flagrantly, and with excessive force, impede the batter-baserunner or baserunner.

PENALTY: Immediate ejection of the defensive player.

RULE 1 Sec 18

FORCE OUT: A force out is an out which can be made only when a baserunner loses the right to the base he is occupying because the batter becomes a batter-baserunner, and before the batter-baserunner or a succeeding baserunner has been put out.

RULE 1 Sec 19

FOUL BALL: A foul ball is a batted ball that:

- a. Settles on foul territory between home and first base or home and third base.
- b. Bounds past first and third base on or over foul territory.
- c. Falls first on foul territory beyond first or third base.
- d. While on or over foul ground, touches an umpire, player, or foreign object to the natural ground.
- e. Touches the batter, or bat in the batter's hand, while within the lines of the batter's box.

NOTE: A foul fly ball shall be judged according to the relative position of the ball and the foul line, and not the position of the fielder.

RULE 1 Sec 20

ILLEGAL BAT: An illegal bat is one that does not meet the requirements of Rule 3, Sec. 1.

NOTE: The batter is NOT ejected for using an illegal bat.

RULE 1 Sec 21

ILLEGALLY BATTED BALL: An illegally batted ball occurs when:

- a. A batter's entire foot is completely out of the box, on the ground, when he/she hits the ball, fair or foul.
- b. Any part of the batter's foot is touching home plate or strike mat when he/she hits the ball.
- c. The batter hits the ball with an illegal bat.

RULE 1 Sec 22

ILLEGALLY CAUGHT BALL: Occurs when a fielder catches a batted or thrown ball with his cap, illegal glove, or any part of his/her uniform detached from its proper place. See Rule 1, Sec. 10.

RULE 1 Sec 23

ILLEGAL PLAYER: A player who enters the line-up without the right to the offensive or defensive position.

Examples of an illegal player (but not limited to) are:

1. Illegal use of the re-entry rule
2. Illegal use of the courtesy runner rule
3. Using a player to pitch who was removed from the pitching position
4. Unreported substitute
5. Player(s) that are listed on two (2) or more Official NSA sanctioned rosters without an official release form on file in the Provincial Director's office.

RULE 1 Sec 24

INELIGIBLE PLAYER: A player who is unregistered or who does not meet requirements to register.

Examples of an ineligible player (but not limited to) are:

1. Playing under an assumed name
2. Players not on the team roster
3. Violating residence requirements
4. Violating divisional age requirements

NOTE: Use of an ineligible player will result in a forfeit of the game if appealed properly.

RULE 1 Sec 25

IN JEOPARDY: A term indicating that the ball is in play and an offensive player may be put out.

RULE 1 Sec 26

INFIELD FLY: An infield fly is a fair ball, not including a line drive, which can be caught by an infielder with ordinary effort when first and second or first, second, and third bases are occupied, before two (2) are out. Any fielder can catch an infield fly.

NOTE: When it seems apparent that a batted ball will be an infield fly, the umpire shall immediately declare "INFIELD FLY - BATTER IS OUT" to aid the runners. If the ball is near the foul lines, the umpire shall declare "INFIELD FLY - BATTER IS OUT, IF FAIR". The ball is live and runners may advance at the risk of the ball being caught or retouch and advance after a fielder touches the ball. If the hit ball becomes a foul ball, it is treated the same as any other foul ball.

RULE 1 Sec 27

INNING: An inning is that portion of a game within which the teams alternate between offense/defense and there are three (3) outs for each team.

RULE 1 Sec 28

INTERFERENCE: Interference is the act of an offensive player or team member, which impedes or confuses a defensive player while attempting to execute a play. If judged so by the umpire, vocal interference may be called. See Rule 7, Section 3 for further details.

RULE 1 Sec 29

LEGAL TOUCH: A legal touch occurs when a baserunner or batter-baserunner, who is not touching a base, is touched by the ball while the ball is held securely in a fielder's hand. The ball is not considered as being securely held if it is juggled or dropped by the fielder after having touched the runner, unless the runner deliberately knocks the ball from the hand of the fielder. It is sufficient for the fielder to touch the runner with the glove, which holds the ball.

RULE 1 Sec 30

LEGALLY CAUGHT BALL: A legally caught ball occurs when a fielder catches a batted or thrown ball, provided the ball is not caught in the fielder's cap, hat, pocket, protector, or any other part of his/her uniform. It must be caught and firmly held with the hand or the glove.

RULE 1 Sec 31

OBSTRUCTION: Obstruction is the act of:

a. A defensive player or team member which hinders or prevents a batter from striking or hitting a pitched ball.

NOTE: Catcher obstruction is called when the catcher obstructs the batter IN ANY WAY who is attempting to hit or swing at a pitch. Prior to the pitch, catcher obstruction does not apply, a dead ball shall be called and allow the batter to re-set themselves.

b. A fielder, while not in possession of the ball, or not in the act of fielding a batted ball, or not about to receive a thrown ball, impedes the progress of a baserunner who is legally running the bases.

RULE 1 Sec 32

OVERSLIDE: An overslide is the act of the offensive player sliding over and beyond a base he is attempting to reach. This is usually caused when his/her momentum causes him/her to lose contact with the base, which then causes him/her to be in jeopardy. The batter-baserunner may overslide first base, without being in jeopardy, if he/she immediately returns to that base.

RULE 1 Sec 33

OVERTHROW: An overthrow is a play in which a ball is thrown and goes into foul territory, beyond the boundary lines of the playing field or becomes blocked.

RULE 1 Sec 34

PLAYER PARTICIPATION: NSA considers a player to be a participant of a game when the lineup card with substitutions is turned into the umpire or official scorekeeper or is announced.

RULE 1 Sec 35

QUICK PITCH: A quick pitch is made by the pitcher, with the attempt to catch the batter off balance. This would be before the batter takes his/her position in the batter's box, or while he/she is still off balance as a result of the previous pitch. PENALTY: no pitch is declared and a ball added to the count.

RULE 1 Sec 36

The scoring line is a line drawn from the point of home plate closest to third base, parallel to the first base foul line, and extending eight (8) feet through foul territory.

RULE 1 Sec 37

STEALING: The act of a runner attempting to advance during the pitch or after the pitch has reached home plate is considered to be the act of stealing.

RULE 1 Sec 38

STRIKE ZONE: The strike zone is that space over any part of the plate, between the batter's highest shoulder and his/her front knee, when the batter assumes a natural batting stance. Where the ball contacts the ground or glove has no bearing on the actual strike zone.

STRIKE MAT: The strike mat shall be made of rubber or other suitable materials. It shall be a rectangle, 24" wide by 36" long. The sides shall be parallel to the inside of the batter's boxes and shall cover home plate with the front of the strike mat aligned with the front of home plate. The strike mat is considered part of the ground for purposes of determining if a ball is fair or foul.

RULE 1 Sec 39

THREE-FOOT LINE: Is a line parallel to and three feet from the first baseline, in foul territory, starting at a point fifteen (15) feet from home plate and running all the way to first base. The batter-baserunner is declared out when he/she runs outside the three-foot line, and in the judgment of the umpire, interferes, intentionally or unintentionally, with the fielder attempting to field a batted ball, or interfering with a thrown ball.

RULE 1 Sec 40

TIME: The term used by the umpire to order suspension of play.

RULE 1 Sec 41

TURN AT BAT: A player's turn at bat begins when he enters the batter's box and continues until he/she is put out or becomes a baserunner.

RULE 1 Sec 42

PITCHER'S BOX: Is defined as, a two (2) foot wide x ten (10) foot long area including the pitchers plate, that starts 50 feet from the back of home plate. See Infield Dimensions

PLAYING FIELD DIMENSIONS

RULE 2 – THE PLAYING FIELD SECTION 1-6

a. ADULT DIVISIONS	MINIMUM DISTANCE
All	275 feet

RULE 2 Sec 2

GROUND RULES OR SPECIAL RULES establishing the limits of the playing field may be agreed upon by leagues or opposing teams whenever backstops, fences, stands, vehicles, spectators, or other obstructions are within the prescribed area.

RULE 2 Sec 3

THE PLAYING FIELD LAYOUT should include, in addition to marking for foul lines, the following:

- c. The pitcher shall not be considered in the pitching position unless the catcher is in the catcher's box.

RULE 6 Sec 2

THE PITCH STARTS WHEN THE PITCHER makes any motion that is part of his/her wind up, after the required pause. Prior to the required pause, any wind up may be used. The pivot foot must remain in contact with the ground within the pitcher's box until the ball leaves the hand.

a. It is not necessary to step, but if a step is taken, the step may be forward, backward, or sideways as long as the ball remains within six (6) inches of the hip.

RULE 6 Sec 3

A LEGAL DELIVERY shall be delivered with an underhand motion.

- a. The pitch shall be released at a moderate speed. The speed is left up to the judgment of the umpire, who shall warn the pitcher who delivers a pitch with excessive speed. If the pitcher repeats such an act, he/she shall be removed from the pitcher's position for the remainder of the game.
- b. The hand shall be below the hip.
- c. The ball must be delivered with an arc and reach a height between six (6) and ten (10) feet from the ground.
- d. The catcher must be within the lines of the catcher's box until the pitched ball reaches the plate or until the ball is batted.

PENALTY: The ball is dead, a ball is called on the batter, and a warning given to the catcher and the defensive coach that if the catcher repeats such an act after this warning, they will be removed from the catcher's position for the remainder of the game.

- e. The catcher shall return the ball directly to the pitcher after each pitch, except after a strike out or put out made by the catcher. The pitcher has five (5) seconds to release the next pitch.

EFFECT: Sec. 3(e) An additional BALL is awarded to the batter.

RULE 6 Sec 4

THE PITCHER MAY use any wind up desired as long as the pitch conforms to the criteria found in Rule 6, Section 3.

RULE 6 Sec 5

THE PITCHER SHALL NOT DELIBERATELY drop, roll, or bounce the ball to the batter, either in or out of the pitcher's box.

RULE 6 Sec 6

THE PITCHER SHALL NOT at any time during the game, be allowed to use tape or other substances upon the ball, the pitching hand, or fingers, nor shall any other player apply a foreign substance to the ball. Under the supervision of the umpire, powdered resin may be used to dry the hands.

RULE 6 Sec 7

AT THE BEGINNING OF EACH HALF INNING or when a pitcher relieves another, not more than one (1) minute may be used to deliver not more than three (3) pitches to the catcher or other teammate. Play shall be suspended during that time.

EFFECT: Sec. 1-7 is an illegal pitch and the ball is dead. A ball shall be called on the batter and baserunners do not advance.

EXCEPTION: If a batter strikes at any illegal pitch, it shall be a strike and there shall be no penalty. The ball remains in play if hit by the batter.

NOTE I: The umpire shall signal and call an illegally pitched ball when the ball becomes illegal. A pitched ball that hits the ground or home plate is a dead ball and may not be hit by the batter.

NOTE II: An umpire will declare "Dead Ball, No Pitch" on any illegal pitching action. These are illegal actions by the pitcher, prior to the release of the pitched ball.

RULE 6 Sec 8

NO PITCH SHALL BE DECLARED WHEN:

- a. The pitcher pitches during the suspension of play.
- b. The runner is called out for leaving a base too soon.
- c. The pitcher pitches before a baserunner has retouched his/her base after a foul ball and the ball is dead.
- d. The ball slips from the pitcher's hand during his/her wind up or during the back swing.
- e. No player, manager, or coach shall call "Time", employ any other word or phrase, or commit any act while the ball is alive and in play for the obvious purpose of trying to make the pitcher commit an illegal pitch.

EFFECT: No pitch shall be declared, and a warning issued to the offending team. A repeat of this type of act shall result in the offender being removed from the game.

RULE 6 Sec 9

A MANAGER from the dugout or multiple players from on the field, shall be allowed only one charged conference with each and every pitcher any one inning.

PENALTY: A second conference with the same pitcher will result in them being removed from the pitching position for the remainder of the game.

RULE 6 Sec 10

AT NO TIME DURING THE GAME shall an offensive or defensive player or coach be allowed to leave their positions on the field or come from the dugouts to argue whether a pitch was a strike or a ball. The three players involved (pitcher, catcher, batter) may be allowed to question balls or strikes.

NOTE I: Anyone other than the pitcher, catcher, or batter that leaves his/her positions on the field or the dugout to question balls or strikes, will be immediately ejected.

NOTE II: This includes arguing arch limit on pitches

RULE 7 – BATTING SECTION 1-11

RULE 7 Sec 1

THE BATTER SHALL TAKE HIS/HER POSITION WITHIN THE LINES OF THE BATTER'S BOX.

- a. The batter shall not have his/her entire foot touching the ground completely outside the lines of the batter's box or touching home plate or the strike mat when the ball is hit.
- b. The batter shall not step directly across in front of the catcher to the other side of the batter's box while the pitcher is in a position to pitch.

EFFECT: Sec. 1(a - b) The ball is dead, the batter is out, baserunners may not advance.

- c. The batter shall not enter the batter's box with an illegal bat.

EFFECT: The opposing team has the option of taking the result of the play, or the ball is dead, the batter is out, baserunners may not advance.

- d. The batter shall not enter the batter's box with an altered bat.

EFFECT: The ball is dead, the batter is out, and without warning, is ejected from the game. Baserunners may not advance. NSA Canada's policy on supplementary discipline for the use of an altered bat can be found on the NSA Canada web site under the Altered Softball Bat Policy.

- e. The batter must take his/her position within five (5) seconds after the umpire has called "Play ball".

He/she must have both feet within the lines of the box before the start of the pitch. He/she may touch the line, but no part of his/her foot may be outside of the lines prior to the pitch.

EFFECT: The ball is dead. The umpire will call a strike on the batter, also issue a warning to the batter to take his position or risk being called out. If the batter refuses to take his/her position after the warning, he/she will be called out. The warning will be given to a batter only one time per game. Any repeated violation during the game by that player, will result in an out being called. This rule is intended to help speed up the play of the game, and umpires, while using good judgment in enforcement of the rule, must prohibit the batter from delaying the game by taking an excessive or unnecessary amount of time entering the batter's box.

RULE 7 Sec 2

EACH PLAYER OF THE SIDE AT BAT shall become a batter in the order in which his/her name appears on the score sheet. The batting order of each team must be on the score sheet and delivered by the manager or captain, to the Home Plate Umpire. The batting order must be followed throughout the entire game, unless a player is substituted for. When this occurs, the substitute must take the place of the player

he/she is replacing in the batting order. The first batter in each inning shall be the batter whose name follows that of the last player who completed a turn at bat in the preceding inning.

NOTE 1: Batting out of order is an appeal play, which may be made by the defensive team only.

- a. If the error is discovered while the incorrect batter is at bat, the correct batter takes his/her place and legally assumes any balls and strikes.
- b. If the error is discovered after the incorrect batter has batted, and before the next pitch to the following batter, the player who should have batted is out. Any advance or score made because of a batted ball by the improper batter's advance to first base on a hit, error, or a base on balls shall be nullified. The next batter is the player whose name follows that of the player called out for failing to bat.
- c. If the error is discovered after the first pitch to the next batter, the turn at bat of the incorrect batter is legal, all runs scored and bases run are legal and the next batter shall be the one whose name follows that of the incorrect batter. No one is called out for failure to bat. Players who have not batted and who have not been called out have lost their turn at bat until reached again in the regular order.
- d. No baserunner shall be removed from the base he/she is occupying to bat in his/her proper place. He/she merely misses his/her turn at bat with no penalty. The batter following him/her in the batting order becomes the legal batter.
- e. When the third out of the inning is made before the batter has completed his/her turn at bat, he/she shall be the first batter in the next inning and shall have the ball and strike count on him/her canceled.

RULE 7 Sec 3

MEMBERS OF THE TEAM AT BAT shall not interfere, either physically or vocally, with a player attempting to field either a fair or foul ball. This includes a base coach. Interference is described as affecting the outcome of a defensive play.

EFFECT: The ball is dead, the batter is out, and any baserunner(s) must return to the base that they occupied at the time of the pitch.

RULE 7 Sec 4

THE BATTER SHALL NOT hit a fair ball a second time with the bat in fair territory.

EFFECT: The ball is dead, the batter is out and baserunners may not advance.

EXCEPTION: If the batter is standing in the batter's box and contact is made while the bat is in the batter's hands, it is a foul ball even if the ball is hit a second time over fair territory.

NOTE: If the batter drops the bat and the ball rolls against the bat in fair territory, and in the umpire's judgment, there was no intention to interfere with the course of the ball, the batter is not out and the ball is alive and in play.

RULE 7 Sec 5

A STRIKE IS CALLED BY the umpire:

- a. For each legally pitched ball entering the strike zone before touching the ground and at which the batter does not swing. It is not a strike if the ball touches home plate and is not swung at.
- b. For each pitched ball swung at and missed by the batter.
- c. For each foul ball not legally caught, including the third strike.
- d. For each pitched ball swung at and missed which touches any part of the batter.
- e. When any part of the batter's person is hit with his/her own batted ball, when he/she is in the batter's box.
- f. When a pitched ball hits the batter while the ball is in the strike zone.
- g. When a pitched ball hits any part of the strike mat when the strike mat is in use

EFFECT: Sec. 5(d-f) the ball is dead, and baserunners must return to their bases without liability to be put out

NOTE 1: A pitched ball that hits the ground, home plate or the strike mat is a dead ball and may not be hit

RULE 7 Sec 6

A BALL IS CALLED BY the umpire:

- a. For each pitch, which does not enter the strike zone or touches home plate, which is not hit or swung at by the batter.
- b. For each illegally pitched ball not hit or swung at by the batter.
- c. When a pitch hits the batter outside of the strike zone.
- d. When the catcher fails to return the ball directly to the pitcher as required in Rule 6, Sec. 3e.
- e. When the pitcher fails to pitch within five (5) seconds.
- f. For each excessive warm-up pitch. (Rule 6, Sec. 7)
- g. When the pitcher attempts a quick return pitch, the pitcher shall be given a warning.

EFFECT: Rule 7, Sec. 6(a-g) The ball is dead and baserunners may not advance.

RULE 7 Sec 7

A FAIR BALL IS A LEGALLY batted ball which:

- a. Settles or is touched on fair ground between home and first base or home and third base.
- b. Bounds past first or third base on or over fair ground.
- c. Touches first, second, or third base.
- d. While on or over fair ground, touches the person or clothing of an umpire or player.
- e. First falls on fair territory beyond first or third base. A fair fly ball must be judged according to relative position of the ball and the foul line, regardless of whether the fielder is on fair or foul ground at the time he/she touches the ball.

EFFECT: Rule 7, Sec. 7(a-e) The ball is in play and baserunners are entitled to advance any number of bases with liability to be put out. The batter becomes a batter-baserunner unless the infield fly rule applies.

- f. While on or over fair ground, lands behind a fence or into a stand beyond the outfield fence, this is a home run.
- g. Hits a foul pole on the fly. If the ball hits the pole above the fence level, it shall be a home run.

RULE 7 Sec 8

A FOUL BALL IS A LEGALLY batted ball which:

- a. Settles on foul ground between home and first base or between home and third base.
- b. Bounds past first or third base on or over foul ground.
- c. First touches on foul ground beyond first or third base.
- d. While on or over foul ground, touches the person or clothing of an umpire or player, or it is blocked.
- e. Is caught while over foul ground.

EFFECT: Rule 7, Sec. 8(a-d) The ball is dead. A strike is called on the batter for each foul ball, including the third strike. Baserunners must return to their bases without liability to be put out. Baserunners may not advance on a third strike foul ball, including a legally caught foul ball, however, all runners may advance on any other legally caught foul ball.

RULE 7 Sec 9

THE BATTER IS OUT:

- a. When the third strike is struck at, missed, or touches any part of the batter's person.
- b. When a batter appears in the batter's box with, or is discovered using an illegal or altered bat, prior to or after hitting the ball. The batter is also ejected from the game for using an altered bat.
- c. When a fly ball is legally caught.
- d. Immediately when he/she hits an infield fly, and the umpire has declared "Infield Fly"
Refer to Rule 1, Sec. 27.
- e. If a fielder intentionally drops, or lets fall untouched, a fair fly ball, including a line drive, which can be caught by an infielder with ordinary effort with first base occupied with less than two (2) outs.

EFFECT: Rule 7, Sec. 9 The ball is dead, the batter is out, and baserunners must return to the last base touched at the time of the pitch.

NOTE: A trapped ball shall not be considered as having been intentionally dropped.

- f. If a preceding runner, in the umpire's judgment, intentionally interferes with a fielder who is attempting to catch a thrown ball or is attempting to throw a ball in an attempt to complete a play, the offending runner and the succeeding are both declared out.
- g. When the batter bunts or chops the ball downward. (See Rule 1, Sec. 13).
- h. Any batter-baserunner that carries the bat and legally reaches or touches first base, while still holding the bat, during a live ball situation, will be declared out. Should this be the third out of an inning, no preceding baserunner shall score.
- i. On a third strike foul ball.
- j. When hit by his/her own batted ball, in fair territory, outside the batter's box.
- k. If, on a fly ball, he/she fails to advance toward first base or remain in the batter's box

RULE 7 Sec 10

THE BATTER OR BASERUNNER IS NOT OUT if a fielder making a play on him/her uses an illegal glove. The manager of the offended team has the option of having the batter bat over and assume the ball and strike count he/she had prior to the pitch he/she hit (baserunner return) or taking the result of the play.

RULE 7 Sec 11

ON-DECK BATTER:

- a. The on-deck batter is the offensive player whose name follows the name of the batter in the batting order.
- b. The on-deck batter shall take a position within the lines of either of the on-deck circles without interfering with the view of any manager or coach.
- c. The on-deck batter may loosen up with two (2) official softball bats, an official warm-up bat, or the player may use the Power Wrap, Worth WBS, H & BBW1, or any other official warm-up bat or product that has been approved by NSA Canada Head Office. Nothing else may be attached, such as a donut, fan, etc. when loosening up.
- d. The on-deck batter may leave the on-deck circle when he/she becomes the batter, or to direct baserunners advancing from third base to home plate.
- e. When the on-deck batter interferes with the defensive player's opportunity to make a play on a runner, the runner closest to home plate, at the time of the interference, is declared out.
- f. The provision of Rule 7, Sec. 3 shall apply to the on-deck batter.

RULE 7 Sec 12

Bunting is permitted only in Co-Ed play and only for female batters.

RULE 8 – BASERUNNING SECTION 1-9

NOTE I: *First base double base—At facilities that use the safety bag at first base, the following rules will be implemented. If the first play is at first base, either from the infield or outfield, a baserunner will be called out for touching the white or inside portion of the base. If the play is not to first base, the inside base may be tagged in a continuation toward second base. The baserunner running toward first base may cross over to the white or inside portion of the base to avoid a collision if a wild throw occurs. The white or inside portion of the base will be used by the batter-baserunner if attempting to get back to first base.*

NOTE II: *A temporary runner may be used for the pitcher if he/she is on base with two (2) out and is using protective equipment. This rule only applies to the pitcher if he/she was the pitcher at the end of the previous inning or was declared to be the starting pitcher to the home plate umpire if this is the top of the first inning.*

- a. *The temporary runner must be of the last available runner of the same gender as the pitcher*
- b. *Once a pitcher uses a temporary runner, he/she MUST continue to use a runner for the remainder of the game*
- c. *Once a pitcher refuses to use a temporary runner, he/she MAY NOT use a temporary runner for the remainder of the game*
- d. *A temporary runner will not be counted as a courtesy runner, if in use.*

RULE 8 Sec 1

THE BASERUNNER MUST touch bases in legal order, that is first, second, third, and scoring line.

EXCEPTION: The scoring line is not used in Open divisions in major tournament and post season play.

- a. When a baserunner must return to bases while the ball is in play, he/she must touch the bases in reverse order.

EFFECT: *The ball is in play and baserunners must return with liability to be put out.*

- b. When a baserunner acquires the right to a base, by touching it before being put out, he/she may hold the base until he/she has legally touched the next base in order or is forced to vacate it for a succeeding runner.
- c. When a runner dislodges a base from its proper position neither, he/she nor the succeeding baserunners in the same series of plays are compelled to follow a base unreasonably out of position. The ball is in play and baserunners may advance with liability of being put out.
- d. A baserunner may not run the bases in reverse order, either to confuse the fielders, or to make a travesty of the game.

EFFECT: *The ball is dead, and the runner is out.*

NOTE I: *A runner in a double play situation, who stops or retreats back towards the base left, is not to be considered as running the bases in reverse order or considered making a travesty of the game.*

- e. Two baserunners may not occupy the same base simultaneously.

EFFECT: *The baserunner who first legally occupied the base is entitled to it. The other baserunner may be put out by being touched with the ball.*

- f. Failure of a preceding baserunner to touch a base or to leave a base legally on a caught fly ball, and who is declared out, does not affect the status of a succeeding baserunner who touches the bases in proper order. However, if the preceding baserunner were to be called out for the third out of the inning, no succeeding baserunner may score a run.
- g. No base runner may return to touch a missed base, or one left illegally, after a following baserunner has scored.
- h. When the ball is dead, no baserunner may return to touch a missed base, a base he/she has left illegally, even after the ball becomes alive. However, when a dead ball occurs, a baserunner may return to a missed base or a base he/she left illegally, if he/she is required to by the umpire in the awarding or determination of bases. The baserunner is not liable to be put out for missing a base beyond the base he/she is required to by the umpire in the awarding or

determination of the bases. The baserunner is not liable to be put out for missing a base beyond the base he/she is required to return to.

- i. No baserunner may return to touch a missed base or one left illegally once he/she enters his/her dugout or bench area.
- j. When the umpire has called four (4) balls, or when a walk is issued, all baserunners must touch all bases in legal order. Baserunners do not advance unless forced.
- k. Bases left too soon on a caught fly ball must be retouched before advancing to awarded bases. Awarded bases must also be touched in proper order.

EXCEPTION: Runners do not have to touch bases on a four-base award

RULE 8 Sec 2

THE BATTER BECOMES A BATTER-BASERUNNER:

- a. As soon as he/she hits the ball.
- b. When the umpire has called four (4) balls.
- c. When the catcher obstructs, or any other fielder obstructs or hinders the batter from striking at or hitting a pitched ball.
 1. The umpire will signal, **“delayed dead ball”**. The offensive team manager has the option of taking the base awarded the batter catcher’s obstruction, or he/she may take the result of the play.
 2. If the batter reaches first base safely and all other baserunners advance at least one base on the batted ball, catcher’s interference is canceled and no other options are given.
- d. When a fair ball strikes the umpire or baserunner on fair ground.
 1. If the ball hits the umpire or baserunner after passing an infielder, other than the pitcher or touches an infielder, including the pitcher, the ball is in play.
 2. If the ball hits the umpire or baserunner before passing an infielder, the ball is dead and the batter is entitled to first base without liability of being put out. Baserunners not forced by the batter-baserunner must return.

RULE 8 Sec 3

BASERUNNERS ARE ENTITLED TO ADVANCE WITH LIABILITY TO BE PUT OUT:

- a. When the ball is thrown into fair territory or foul territory and is not blocked.
- b. When the ball is batted into fair territory and is not blocked.
- c. When a legally caught fly ball is first touched.
- d. If a fair ball strikes an umpire or a runner after passing an infielder other than the pitcher, or having been touched by an infielder, including the pitcher, the ball shall be in play.

RULE 8 Sec 4

A PLAYER FORFEITS HIS/HER EXEMPTION FROM LIABILITY TO BE PUT OUT.

- a. If, while the ball is in play, he/she fails to touch the base he/she is entitled to before attempting to make the next base. If the baserunner put out is the batter-baserunner at first base, or any other baserunner, forced to advance because of the batter-baserunner, this is a force out.
- b. If, after over running first base, the batter-baserunner attempts to continue to the next base.
- c. If, after dislodging the base, the batter/batter-baserunner attempts to continue to the next base.

RULE 8 Sec 5

BASERUNNERS ARE ENTITLED TO ADVANCE WITHOUT LIABILITY TO BE PUT OUT.

- a. When forced to vacate a base because the batter was awarded a base on balls, the ball is dead.
- b. When a fielder obstructs a baserunner from making a base, unless the fielder is trying to field a batted ball, has the ball ready for a tag, or is about to receive a thrown ball.

EFFECT: When obstruction occurs, the umpire shall call and signal obstruction. If a play is being made on the obstructed baserunner, or if the batter-baserunner is obstructed before reaching first base, the ball is dead and all baserunners advance to the bases they would have reached, in the umpire’s judgment, if there had been no obstruction, without liability to be put out.

EXCEPTION: A baserunner obstructed in a rundown shall be awarded the lead base at the time of the obstruction. Any preceding baserunners, forced to advance by the award of bases for obstruction, shall advance without liability to be put out.

If no play is being made on the obstructed baserunner at the time of obstruction, the play shall proceed until the play is completed. The umpire shall call “time” and impose such penalties, if any, as in his judgment, will nullify the act of obstruction. If a fielder, without the ball, fakes a tag, the umpire may award the obstructed baserunner and each other baserunner affected by the obstruction, the bases they would have reached, had there been no obstruction.

NOTE I: In the case of a “fake tag”, the fielder will be automatically ejected from the game.

- c. When forced to vacate a base because the batter was awarded a base for catcher's obstruction.
- d. When a fielder contacts or catches a batted or thrown ball with his/her cap, glove, or any part of his/her uniform while detached from its proper place.

NOTE: The umpire(s) will signal "delayed dead ball".

EFFECT: The baserunner shall be entitled to three (3) bases if a batted ball, or two (2) bases if a thrown ball. In either case, baserunners may advance further at their own risk. If the illegal act was made on a fair ball that, in the judgment of the umpire, would have cleared the outfield fence in flight, four (4) bases shall be awarded.

- e. When the ball is in play and is overthrown (beyond the boundary lines), or is blocked.

EFFECT: Awarded bases shall be determined by the position of the baserunners at the time of the infraction.

EFFECT: For offensive equipment or an offensive player causing a blocked ball, the player closest to home plate is declared out, and all other baserunners must return to the last base touched when the ball becomes blocked.

1. ***The ball is dead.*** In all cases where a thrown ball goes into the spectator's seats, goes over, though, or under any fence surrounding the playing field, hits any person or object not engaged in the game, goes into the players' benches, including bats lying near benches, whether the ball rebounds onto the playing field or not, or remains in the meshes of any wire screen, each and every baserunner shall be awarded two (2) bases from the last base they occupied.
 2. When the first throw is made by an infielder, two (2) bases shall be awarded. The award shall be governed by the position of each baserunner at the time the pitch was made, however, if all baserunners, including the batter-baserunner, have advanced at least one (1) base when the infielder makes the wild throw, on the first play after a pitch, the award shall be governed by the position of the baserunners when a wild throw was made.
 3. When a throw is made by an outfielder or is the result of any succeeding play or attempted play, the two (2) base award shall be governed by the position of each baserunner and the last base he/she has touched at the time the throw was made. If two (2) baserunners are between the same base, the award is based on the position of the lead baserunner.
 4. When a fielder loses possession of the ball, such as on an attempted tag, and the ball enters a dead ball area or becomes blocked, all runners are awarded one (1) base from the last base they occupied at the time the ball entered the dead ball area or became blocked. If a baserunner touches the next base and returns to his/her original base, the original base he/she left, is considered the "last base occupied" for the purposes of an overthrow award.
- f. When a ball bounds or rolls into a stand, over, under, or through a fence, bounds out of play unintentionally off a defensive player or other obstruction marking the boundaries of the playing field.

EFFECT: Rule 8, Sec. 5(f) ***The ball is dead, and all baserunners are awarded two (2) bases from the time of the pitch.***

g. When a live ball is unintentionally carried by a fielder from playable territory into a dead ball area, the ball becomes dead. All baserunners are awarded one (1) base from the last base touched at the time the fielder enters dead ball territory. If, in the judgment of the umpire, a fielder intentionally carries a live ball into dead ball territory, the ball becomes dead, and all baserunners are awarded two (2) bases from the last base they occupied at the time he/she entered the dead ball area.

EFFECT: A fielder carrying a live ball into the dugout or team area, to tag a player, is considered to have intentionally carried it there. A dead ball line is considered in play.

RULE 8 Sec 6

A BASERUNNER MUST RETURN TO HIS/HER BASE:

- a. When a foul ball is illegally caught and so declared by the umpire.
- b. When the umpire declares an illegally batted ball.
- c. When a batter or baserunner is called out for interference. Other baserunners shall return to the last base touched at the time of the interference.
- d. When a pitched ball that is swung at and missed touches any part of the batter's person.
- e. When a foul ball is not caught.

EFFECT: Sec. 6(a - e) ***The ball is dead, and baserunners must return to base occupied prior to the pitch except when forced by the batter becoming a baserunner. Baserunners need not touch the intervening bases in returning, but must return promptly, however, they must be allowed sufficient time to return.***

- f. Base stealing: under no circumstances is a baserunner permitted to steal a base when a pitched ball is not batted.

RULE 8 Sec 7

BATTER-BASERUNNER IS OUT:

- a. When, after hitting a fair ball, he/she is legally touched with the ball before he/she touches first base.
- b. When, after hitting a fair ball, the ball is held by a fielder touching first base with any part of his/her person, before the batter-baserunner touches first base.
- c. When, after a fly ball is hit, a fielder catches the ball before it touches the ground or any object other than a fielder.
- d. When, after hitting a fair ball or a base on balls is awarded, he/she fails to advance to first base and enters his/her team area.

EFFECT: Rule 8, Sec. 7(a-d) The ball is in play and the batter-baserunner is out.

- e. When he/she runs outside the three (3) foot line, and in the judgment of the umpire, interferes with the fielder taking the throw at first base, however, he/she may run outside the three (3) foot line to avoid a fielder attempting to field a batted ball.
- f. When he/she interferes with a fielder attempting to field a batted ball, or intentionally interferes with a thrown ball. If the interference, in the judgment of the umpire, is an obvious attempt to prevent a double play, the baserunner closest to home plate shall be called out.
- g. When a batter-baserunner interferes with a play at home in an attempt to prevent an obvious out at home plate, the baserunner is also out.
- h. When he/she moves back towards home plate between first and home to avoid or delay a tag by a fielder.
- i. When he/she is discovered using an altered or illegal bat.

EFFECT: Rule 8, Sec. 7(e-i) The ball is dead, and the batter-baserunner is out. Other baserunners must return to the last base legally touched at the time of the illegal action.

RULE 8 Sec 8

THE BASERUNNER IS OUT:

- a. When, in running to any base, he/she runs more than three feet from a direct line between that base and the next base in regular or reverse order to avoid being touched by the ball in the hand of a fielder. When a play, such as a rundown, is made on a runner who has "rounded" a base, and that runner is outside of a direct line between bases, the runner establishes his/her baseline as a direct line between him/her and the next base in regular or reverse order.
- b. When, while the ball is in play, he/she is legally touched by the ball in the hand of a fielder while not in contact with a base.
- c. When, on a force out, a fielder tags him/her with the ball or tags the base on a force out.
- d. When the baserunner fails to return to touch the base he/she previously occupied when play is resumed after suspension of play.
- e. When a baserunner physically passes a preceding baserunner before that baserunner has been put out.

If an appeal is made after the ball is dead and before the next pitch is made, the ball remains dead, and runners may not advance. The pitcher must have the ball in his/her possession, in the area of the pitcher's box. Any player in the game, coach or manager may then make an appeal by announcing to the umpire, which baserunner is being appealed, which base has been missed, or which base has been left too soon. Any player may also make an appeal while the ball is still alive, and before the ball becomes dead, by tagging the baserunner or the base being appealed, with the ball.

- o. When one or more members of the offensive team stand or collect at or around a base, to which a baserunner is advancing, thereby confusing the fielders, and adding to the difficulty of making the play. This includes the bat boy/girl, or any other person authorized to sit on the team's bench.

When a defensive player has the ball and is waiting for the baserunner and the baserunner remains on his feet and deliberately, with great force, crashes into the defensive player, the baserunner is declared out. The ball is dead, and all runners must return to the last base touched at the time of the collision unless Rule 8, Sec. 8(j) or Rule 8, Sec. 8(s) applies.

NOTE 1: If the act is determined to be flagrant, the offender shall be ejected.

EFFECT: Ball is dead, all baserunners advance one base, if forced.

- l. When a baserunner slides into a base and dislodges it from its proper place. The base is considered to have followed the runner. See Rule 7, Sec. 1(c) and Rule 8, Sec. 4(c).
