

Coach's Message

Things to Remember

It is the coach's responsibility to know and understand the rules AND to make sure your players are aware of the rules. Do your homework; make sure you are aware of schedule changes, field changes and whatever else may happen. Regularly check the draw boards for announcements. It is your responsibility to know **WHEN + WHERE** your games are. The "World Series" committee **WILL NOT** be taking down cell numbers or hotel numbers to call you and tell you when you play - **IT IS YOUR RESPONSIBILITY.**

SCORECARDS

Before the start of each game the UMPIRE will give you a scorecard for you to fill your line up on. You will fill out one side and the other team will fill out the other side. At the end of the game, the **WINNING TEAM** is responsible for turning in the scorecard - **NOT THE UMPIRE.** Make sure the card is right, the score is right, the home/visitor team is marked properly, both sides are filled out and the umpire has **SIGNED** the card.

ROSTERS

In your event package will be your World Series Roster you submitted online before the event. You are allowed up to five (5) Roster changes at the event. You will only be able to add people to your roster who are in the NSA PCS System (Player Classification System) and this will be done at the Registration area at a cost of \$5.00 per change.

MOVEMENT BETWEEN FIELDS

In the playoffs, the situation may happen that you will have to play back-to-back games. If you have to move from one diamond to another for your games, you need to make all efforts to get there ASAP. Umpires will be aware of when teams are in this situation but you need to hustle, your team does not have time to go to a store and pick something up on the way.

ADULT BEVERAGES

NO OUTSIDE ALCOHOL, COOLERS OR FOOD, AT ANY PARK OR IN THEIR PARKING LOTS. THERE WILL BE ZERO TOLERANCE FOR THIS. DON'T RISK EXPULSION FROM THE "WORLD SERIES" FOR SOMETHING STUPID.
