

Super Series Rules:

Game times will be between 75-90 minutes in length. Each event will state what the actual game length will be for that specific event (Umpires will make every effort to call last inning).

To ensure games receive the allotted game time, it is up to the coach to verify the starting time with the umpire.

Teams must start with 10 players. If a team that is playing drops to 9 players due to injury, the impacted team due to injury can finish the game, but incur an auto out for the injured player. If a team starts with 10 and receives an ejection, the game will result in a loss for the impacted team. If a team cannot finish the game due to an ejection(s), the score will be reported as a 7-0 loss.

Games must start on time and therefore, there is no grace period.

Commitment line is in effect, except for open divisions.

NSA Canada bat standards apply to the event.

Mercy rule is 20 runs after 3, 15 after 4 or 10 anytime after 5. Max. 7 runs per inning. Last inning is open.

Line up cards will be used. Winning team will hand in a signed lineup card by the umpire to headquarters.

If event is canceled during a tournament after games have been played, the boards will stand and if necessary, will result in the winner of the tournament. The Super Series committee will make this decision based on various factors weather, diamond conditions etc. Partial payment will be required to cover the costs of used diamonds, umps, etc.

Rosters and Registering:

Teams and rosters must be in 5 days prior to the tournament. These rosters will be checked against our verification tools. If a player needs to be added, he must be done the latest Thursday night and will have to go through the approval stage once again and there will be a \$5.00 charge for the late addition of a player, \$25 for late submission of a roster.

To be eligible for the Championship weekend, a player must have his/her name on a roster from one of the qualifying tournaments.

All rosters will be approved by the Super Series directors. The Super Series directors have the right to overturn and approve players if we feel they are ranked too high based on NSA database and team performance. All players must be ranked in the online NSA database. If a player is not on the NSA database, he will be deemed an illegal player and if protested, said player will be ejected from the event and the team will receive a loss.

Co-ed Rules:

The co-ed format is defensively 6 men and 4 women.

Any walk that a male receives when a female batter is on deck, the male receives 2nd base and the female has the option to walk or hit.

A/B women will be reflected as C ranking for co-ed int play only.

Rec Division – Maximum 2 C players

Int Division – Maximum 2 A/B players and all other players must be ranked C or under.

Open Division - rosters will be considered open to the extent of all A and B players are eligible to play plus and other players with lower ranking. (Please note if you choose to play Open your PCS ranking could be adjusted to reflect that).

All other rules will be followed as per the 2023 NSA Canada Rule book
